CONTENTS

Learning Outcome 1: Maritime World	1
1.1 What is the Maritime World.....	1
1.2 Terminology used by the shipping industry	3
1.2.1 Parts of a ship	3
1.2.2 Ship's loadline	5
1.2.3 Port side, starboard side, stern and bow	8
1.2.4 Additional terminology	9
1.3 Types of ships	12
1.3.1 Container ships	13
1.3.2 Bulk carriers	14
1.3.3 Tankers and Gas Carriers	17
1.3.4 Prospecting vessels	20
1.3.5 Multi-purpose ships.....	21
1.3.6 Passenger vessels.....	21
1.3.7 Reefer	22
1.3.8 Ro-ro ships.....	23
1.3.9 Heavy-lift ships.....	24
1.3.10 Ferries	25
1.3.11 Fishing vessels	26
1.3.12 Tugs and offshore service vessels	26
1.3.13 Dredgers	27
1.3.14 Warships	28
1.4 General terminology relating to ships	29
1.5 Continents, water masses, canals, sea currents, major ports	33
1.5.1 Continents.....	34
1.5.2 Oceans.....	36
1.5.3 Ocean currents	39
1.5.4 Seas, Gulfs, Bays, Straits and Capes.....	40
1.5.5 Canals, navigable rivers and ports	46
1.5.6 Some notes on ports.....	47
1.5.7 Water bodies and ports in Europe	48
1.6 Time zones.....	52
1.6.1 Lines of longitude and time.....	52
1.6.2 Difference in time	53
1.6.3 Calculating sun time.....	55
1.6.4 International time zones and standard times.....	58
1.6.5 International Date Line.....	59
1.7 Maritime careers	60
1.7.1 Types of Careers	62
1.7.2 Institutions offering study programs.....	63
1.7.3 Potential Employers	65

1.2 Terminology used by the shipping industry

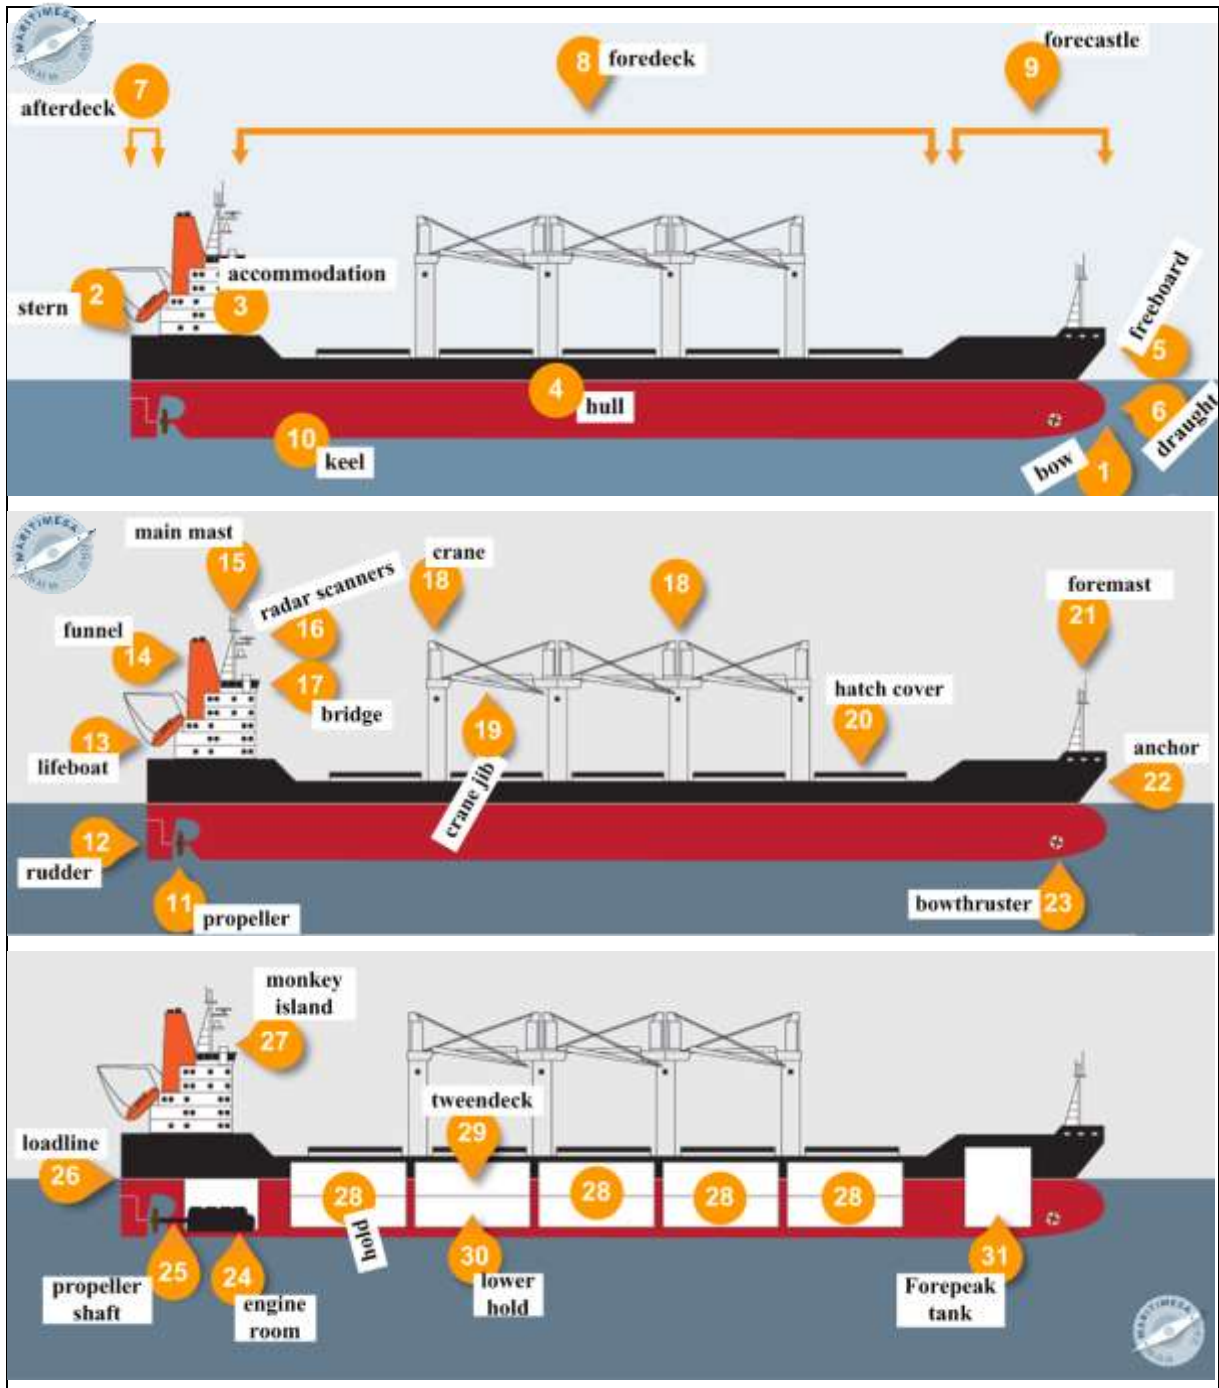

We will now look at words and terms that are common and characteristic of the shipping industry.

These words will appear strange at first, but remember that our mind is a sponge for new words. It will soak all the words in.

Be a sponge, soak up all the words

1.2.1 Parts of a ship

1.7.1 Types of Careers

Many of the careers mentioned in this study guide will be explained in more detail in Grades 11 and 12.

Types of careers include:

- 🌐 Harbour Services
- 🌐 Every port has a:
 - ✚ Harbour Master
 - ✚ Pilots
 - ✚ Marine Manager
 - ✚ Vessel Traffic Controllers
 - ✚ Port Manager
 - ✚ Harbour Engineers
 - ✚ Civil, Electrical & Mechanical Engineers
 - ✚ Terminal Managers
 - ✚ Financial Manager
 - ✚ Human Resources Manager
 - ✚ Port Planner (Usually These People Are Economists)
 - ✚ Marketing Manager
- 🌐 Ship Chandlers and Repair services
- 🌐 Ship Chartering (Hiring of ships)
- 🌐 Ship management
- 🌐 Ship brokering
- 🌐 Crewing of ships
- 🌐 Cargo Forwarding & Clearing
- 🌐 Cargo logistics
- 🌐 Liner Services
- 🌐 Salvage Operations
- 🌐 Maritime Law
- 🌐 Policing Shipping

Meet some of the professionals in the maritime sector:

- 🌐 South African born Volvo Ocean Race Team electrical engineer, Mr Ashton Sampson;
- 🌐 Navigation Officer Luthando Skoti, from King Williamstown in the Eastern Cape.
- 🌐 Cape Town's marine pilot Sanette Robinson first served in the SA Navy as a combat officer.
- 🌐 Precious Dube and Pinky Zungu are both marine pilots.
